Which regions in Cleveland County are there especially high rates of violent crime?

Geographic analyses of crime records from the CCSO and two other law enforcement agencies within Cleveland County.

What are the demographic profiles of the identified high-risk, underserved regions of Cleveland County?

Developing a demographic profile for each identified high-risk, underserved region of Cleveland County.

Purpose:
Identify areas in Cleveland County in which there are elevated rates of crime, but fewer victims are being referred to and engaging with the CCSO Victim Services program.

Implications:
- Inform planned activities for vulnerable parts of the community
- Provide baseline data for future research of the long-term impact of the CCSO Victim Services program
- Offer solutions to the major challenges that crime victimization presents for individuals and the community
- Advise CCSO on the program’s influence within the community
